

Do you know someone who would love to join our 'family' at Overbury Grasshoppers? We are looking for two Early Years practitioners who have a passion for the outdoors and would embrace the opportunity to work in a happy, welcoming nursery.

The children have the unique opportunity to enjoy learning outside in the village, around the farm and garden. In spring, Farmer Jake shares lambing time, in the summer we pick vegetables with Head Gardener Harry and our own chef cooks them for lunch.

Have a look at Jake and Harry's Instagram pages for a flavour of what we do <https://www.instagram.com/no1farmerjake/>
<https://www.instagram.com/headgardenerharry/>

We believe in a good work life balance and you don't have to be qualified as we will support our new employees with full training via an apprenticeship.

If you or someone you know might be interested in joining us in the new year, contact us for a chat 01386 725755 or email manager@overburygrasshoppers.co.uk
